Name/ ID Badges:

All employees must wear ID Badges at all times while on Clinic property. They must be visible and above the waist, badges may not be placed on waist band. You may not flip or place stickers on your badge to cover identity. If you sit at a desk, the patient must be able to see your ID Badge.

Tops and Bottoms:

Scrub tops, scrub pants and lab coats must be neatly pressed, coordinate, and be professional in nature. Any solid color and/or print scrub top is allowed with a coordinating solid color lab coat or clinic apparel top. Employees may wear solid color shirts under scrub tops, jackets, or lab coats that coordinate with the top. Lab coats may be a solid color or print; print coats should be worn with solid color coordinating shirts and pants. Cuffed bottoms as well as drawstring bottoms will be permitted as long as all drawstrings remain tucked in.

Clinical employees may wear approved Mankato Clinic apparel. New hires will receive a one-time Mankato Clinic apparel allowance from the clinic of \$50 to be spent on the Clinic Webstore. Employees may purchase Mankato Clinic clothing anytime on the Clinic Webstore.

Maternity Dress Code:

When an employee's scrubs no longer fit them properly due to pregnancy, the employee will be allowed to wear professional maternity apparel.

Shoes:

Shoes must be closed toe and be clean and well kept. Shoes must coordinate in color with your outfit, fit properly, and have no holes in the top. Tennis shoes are acceptable.

Hosiery/Socks:

Socks must be worn with all shoes.

Infection Control:

Long hair should be pulled back away from face. Fingernails are to be kept short and neatly trimmed. No acrylic nails. Jewelry must be worn in a way that prevents contamination and does not present a safety hazard.

The following titles: Clinical Managers, RN Care Managers, DI Managers, Advanced Practice Providers, Physicians

Such titles have the option of wearing business casual apparel, if not providing direct patient care on a routine basis.
